## ABOUT THE UNIVERSITY

Children's Research University (CRU) in Gandhinagar was founded in 2009 under the visionary leadership of Shri Narendra Modi, who was then the Chief Minister of Gujarat. The university's primary focus is on the holistic development of children, guided by the motto "Every Child Matters" coined by Hon. Narendra Modi himself.

CRU operates through various specialized centers, including Education, Research, Training, Extension, and Toy Science. These centers are designed to provide a comprehensive platform for understanding and enhancing children's development from various perspectives. The Education center aims to develop innovative pedagogical approaches tailored to the needs of children, while the Research center conducts studies to deepen our understanding of child development and education. The Training center provides professional development opportunities for educators and caregivers, ensuring they are equipped with the latest knowledge and techniques to support children's growth effectively. The Extension center focuses on reaching out to the community, fostering collaborations with schools, NGOs, and other stakeholders to promote child welfare and education beyond the university campus. Additionally, CRU's Toy Science center is dedicated to researching and designing toys that stimulate children's cognitive, emotional, and physical development.

Overall, Children's Research University in Gandhinagar stands as a pioneering institution dedicated to nurturing the potential of every child, reflecting the commitment of its founder, Shri Narendra Modi, to prioritize children's well-being and development.

## About MSW Programme:

Children's Research University (CRU), Gandhinagar, where we believe in empowering future generations through education and advocacy. Our Master of Social Work (MSW) Programme is designed to equip passionate individuals with the knowledge, skills, and compassion needed to make a meaningful difference in the lives of children and families.

Our MSW Programme at CRU is a comprehensive two-year course that combines rigorous academic study with hands-on fieldwork experience. Through a blend of theory and practice, students gain a deep understanding of social work principles, child development, family dynamics, and community engagement.

## Why Choose MSW at CRU?

### Holistic Approach:

Our MSW Programme emphasizes a holistic understanding of social work, encompassing individual, family, and community levels of intervention.

### Expert Faculty:

Learn from experienced faculty members who are dedicated practitioners and scholars in the field of social work and child welfare.

### Hands-On Learning:

Apply classroom knowledge to real-world scenarios through immersive fieldwork experiences and case studies.

### Career Opportunities:

Prepare for a rewarding career in social work, with opportunities in child protection agencies, healthcare settings, schools, NGOs, government departments, and more.

## Salient Features :
